ANJANI PORTLAND CEMENT LIMITED

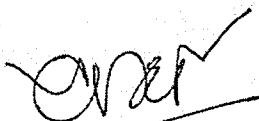

28.07.2010

To All "Anjani Family" Members

Congrats

We are very happy to announce that Kiln-2 has reached to its Rated capacity 1500 TPD today. This was possible only with all your hard work, co-operation and co-ordination. The management is confident that the TEAM at "ANJANI" can make many more records.

On this happy occasion our CMD congratulates each and every one. Good Luck.

S.N. Raju

Vice President (Works)
